## ABOUT ME

- Proactive and ambitious second year university student willing to bring a positive attitude, strong work ethic and eagerness to learn.
  - Dedicated towards team collaboration and continuous skill development.
  - Keen to display these qualities in a dynamic team environment and grow professionally.
- 

## WORK EXPERIENCE

### OddProd - Fruits & Vegetables Delivery Service

Sep 2024 - Present

#### Warehouse Operations

- Operated effectively under time constraints to align with delivery schedules and ensure timely shipments.
- Collaborated with team members to package and verify orders accurately, reducing fulfilment errors.
- Adapted to fluctuating customer demands and variable inventory, maintaining high service levels.
- Applied critical thinking to optimise inventory management and improve stock accuracy.
- Maintained a clean and organised workspace to ensure compliance with safety standards.

### Domino's Pizza

May 2022 - Nov 2022

#### Crew Member

- Provided exceptional service, taking and processing orders accurately both in-person and over the phone displaying strong interpersonal skills.
  - Worked closely with team members to prepare and deliver orders efficiently during peak hours.
  - Managed transactions, ensuring accurate cash drawer balances at the end of each shift.
  - Addressed and resolved customer complaints promptly, using excellent communication skills to maintain high levels of customer satisfaction.
  - Balanced multiple tasks in a fast-paced environment, ensuring orders were completed on time.
- 

## EXTRACURRICULAR

### Mentee - UNSW Career Discovery Mentoring Program

March 2025

- Organised weekly meetings with mentor to discuss individual goals, career options and industry information
- Discussed strategies to identify strengths and values to apply to career decision making
- Recorded notes in a reflective journal, analysing insights and developing action plans
- Researched career options, reviewed reflection notes, actioned follow up items and set agenda in preparation for meetings
- Collaborated with mentor to review and update portfolio to include examples that demonstrated design skills

### Athletics Carnival Volunteer

June 2023

- Managed the registration desk, checking in participants, and providing them with necessary information about their events.
  - Operated with teachers and fellow volunteers to coordinate the smooth running of the carnival.
-
